

**U.S. District Court**  
**District of Delaware (Wilmington)**  
**CIVIL DOCKET FOR CASE #: 1:05-cv-00479-SLR**

**Motion**

This motion is submitted in an effort to have the court consider a request to remove the Gallant Blazers Inc. from Civil Docket # 1:05-cv-00479-SLR.

This request is based on the same grounds and reasoning as the motion to have the case reopened. The President of the Gallant Blazers did indeed file this case at the request of five other individuals who happen to be members of the organization, however; his actions were not thorough, lacked follow-up, were not sanctioned by the entire body by way of a vote, and as a result the case was dismissed.

Eventually he himself and another member, abandoned the efforts all together (see motion submitted 12 May 2006).

We would like the court to understand this is a case of four individuals fighting for racial equality not a corporate entity.

Although we are members of the Gallant Blazers, the organization is not supporting our efforts in any way.

We four individuals are making strong efforts to retain counsel, yet this task is not an easy one. If the court does not see fit to remove the corporate entity and allow us as individuals working together, to move forward;

we would like to request an extension to attain counsel.

Thank you for your attention to this matter.
